

Hanford Fire Department

350 W. Grangeville Blvd. Hanford, CA 93230

2010 Annual Report

"Serving the community since 1891"

Mission Statement

To protect residents and visitors of Hanford from conditions that would pose a threat to life, property or the environment by utilizing aggressive prevention techniques and, when needed, respond to all emergencies in a safe, swift and efficient manner

Values

Respect	<i>for each other and for all with whom we serve</i>
Caring	<i>for our work, the people we serve and for each other</i>
Integrity	<i>being forthright and fair in all of our efforts</i>
Accountability	<i>Taking personal and organizational responsibility for all we do</i>
Teamwork	<i>working together, making the whole greater than the parts</i>
Family	<i>remembering that life goes on outside of our department walls</i>
Quality	<i>providing the right solution for each and every situation</i>

Fire Chiefs Message

It is my pleasure to present to you the 2010 Annual Report for the Hanford Fire Department. 2010 saw a slight decrease in the demand for emergency response. The Department responded to a total of 4375 incidents. This is 10 less than in 2009. While emergency responses were 149 less than 2009 levels, non-emergency calls were up 140 from the previous year. In addition, Hanford Fire Department responded to 42 requests for mutual aid by the Kings County Fire Department. In return, the Kings County Fire Department responded to 32 requests for mutual aid. The Hanford Fire Department serves the City of Hanford as it has since 1891, with pride and dedication. The Fire Department serves a population of nearly 54,000 and covers 13.15 square miles. The nation is slowly recovering from an economic downturn second only to the great depression. As a result, plans for Stations 3 and 4 were delayed. We were, however able to avoid any layoffs and provided a consistent level of service to our community. The Hanford Fire Department thanks our City Manager and City Council for their service to our community and their support of their Fire Department. I am very proud of the men and women who serve our community with the highest standard of professionalism and care.

Tim Ieronimo, Fire Chief

Budget

Incident Statistics

Incident Type	Responses	Average Response Time
Fire	200	5:23
Explosion	2	5:24
EMS – Medical	3167	5:06
Hazardous Condition	78	5:21
Service Call	224	5:55
Good Intent	548	5:41
False Alarm	154	5:55
Other Incident Types	2	4:30

Apparatus Responses

Apparatus	Emergency	Non-priority	Apparatus	Emergency	Non-priority
Chief 1	10	0	Engine 1	1725	172
Chief 2	96	5	Engine 2	1033	83
Chief 3	94	6	Patrol 1	1596	22
Utility 1	3	0	Patrol 2	45	1
Haz-mat 1	0	0	E202	1	1
Command 1	0	1	Engine 201	14	0

Response Time

The goal of the Hanford Fire Department is to maintain the five minute emergency response time to **70%** in FY 08/09. In fiscal year 09/10 the departments goal will change slightly to obtain a (4) minute emergency response drive time to reach **90%** of total calls for service by the first arriving unit. See fractile Response information.

Incidents per day

Fire Loss

It is the goal of the Hanford Fire Department to confine **80%** of all property loss structure fires to the room of origin.

Year	Total Loss	Total Value	Total Savings
2009	\$1,048,549	\$15,646,158	\$14,597,609
2010	\$1,099,199	\$7,479,227	\$6,380,028

Fire Station 1

Fire Station 1 is located at 350 W. Grangeville Boulevard. This station is the headquarters for the Hanford Fire Department. The Fire Chief, Deputy Chief, BC/Fire Marshal and Fire Inspector all have offices at this station. This station has been in service since 1989 and responded to nearly 80% of all the calls received by the department. Daily staffing is either 4 or 5 firefighters staffing (2) apparatus. This station is also home to the Hazardous Materials Response unit

Fire Station 2

Fire Station 2 is located at 10553 Houston Avenue. This station is responsible for protecting the southern portions of Hanford including the industrial park. Station 2 is staffed with 3 or 4 firefighters on 1 or 2 units respectively. Station two also serves as a training facility for vertical ventilation and forcible entry. The Mobile Command unit is housed here for use by both the fire and police departments. These units responded to just better than 20% of all calls.

Training

The Hanford Fire Department is an all hazard response organization. Fighting fire is one of several disciplines that are required of the firefighters in Hanford. Our companies respond to emergency medical aids, traffic collisions, gas leaks, confined space rescues, hazardous materials spills as well as many other types of emergencies. Each of these requires a separate set of skills and abilities. Each year the Hanford firefighter spends hundreds of hours training in a continuing commitment to be at the ready.
