# Why Recycle?

- Recycling helps conserve resources and creates a healthier environment for our community and future generations.
- Recycling extends the life of our landfills by diverting waste to facilities where it is broken down and reused.
- It's Easy! By following the simple guide in this brochure you will find that most of your daily waste can be recycled.

# Residential Recycling

**City of Hanford  
Department of Public Works  
Focused on our Community 24/7**

Corporation Yard  
900 S. 10th Avenue, Hanford CA 93230  
(559)585-2550  
[www.cityofhanfordca.com](http://www.cityofhanfordca.com)

# Refuse

- Aluminum foil (*contaminated with food*)
- Candy wrappers
- Cardboard roll/box with plastic wrap attached
- Ceramics, porcelain and china (*anything made of clay/glazed*)
- Clothing, fabric, and shoes (consider repurposing or donate to a thrift store)
- Diapers (clean or dirty)
- Dryer lint and dryer sheets
- Juice boxes and pouches
- Meats, dairy, fish, poultry, seafood, etc.
- Mirrors
- Potato chip or foil cookie bags
- Sandwich, storage, sealable, and dirty plastic bags
- Windows
- Palm trees and fronds
- Polystyrene foam (*take out containers, packing material, CD cases, plastics code 6*)

## NO HOUSEHOLD HAZERDOUS WASTE, ELECTRONIC WASTE OR UNIVERSAL WASTE

The following items are examples of waste that should NOT be put in any collection bin. These items should be kept separate and brought to Kings Waste Recycling Authority during their HHW collection events.

- Chemical or powder cleaners
- Paint and solvents
- Landscape care chemicals or fertilizers
- Automotive parts or chemicals
- Electronic devices (anything that turns on/off)
- Batteries and fluorescent bulbs/tubes

# Recycling

## PAPER:

- Office paper
- Cardboard, cereal, gift, and shoe boxes
- Chipboard boxes
- Milk cartons
- Paper bags
- Paper egg cartons
- Post-it notes, shredded paper (*must be bagged*)
- Poster board
- Telephone books, catalogs, junk-mail
- Magazines and newspapers
- Wrapping paper
- NO foil-lined paper (*goes in refuse*)
- NO wax paper (*goes in organics*)

## GLASS AND METAL:

- Glass bottles, jars and lids
- Aluminum foil (*clean*)
- Aluminum, steel, and tin cans

## PLASTICS:

### Check the Code:

Look for the plastics code on the bottom of all plastic containers. If it has a 1,2,3,4,5,or 7 it goes in the recycling. If it has a 6 it is polystyrene and belongs in the refuse.

- Plastic bottles, containers and lids
- Plastic, non-foam plates, cups and utensils
- Dry cleaning bags
- Clean plastic grocery or green waste bags

# Organics
